

DRIVER BACKGROUND CHECKS AND DRUG SCREENING CONSENT FORM

As AXM Logistics expands we grow to meet the needs of our clients across the country. As a result of our expansion, transportation vendors who are a part of our network must perform criminal background checks and drug screening for each of their driver.

By signing the form below, your company is acknowledging that it does perform background checks and drug screenings for each driver before and/or during employment and will not hold AXM Logistics responsible for any legal issues that may arise due to lack of responsibility in regards to such matters.
